

GATX TRANSCAER

**GATX RAIL RED DEER
4310 77 ST., RED DEER**

Date: August 17/18, 2023

Time: 0800 - 1630 hrs.

August 17th evening 1830 – 2100 hrs.

As an attendee of this day of information sharing, you'll be involved in presentations on railway safety, railway tank car anatomy, and TDG safety presented by leading industry personnel. Lunch will be served at approximately noon each day, after which all attendees will move outside to get some hands on learning with the static displays. These displays will include a railway tank car, a fire trailer, a trailer with common tank car valves, a highway tanker, and a display provided by one of the Alberta area emergency response contractors.

An evening session will also be available on August 17th for those who are not able to attend one of the full day sessions. The evening session will not include any of the classroom presentations.

These are full-day events featuring morning presentations followed by afternoon interactive static displays, at GATX Rail in Red Deer, AB.

PPE required: hard hat, safety glasses, steel-toed boots, gloves, high-viz vest or turnout gear

Space is limited to a maximum of 44 people per day, so please register before August 10, 2023

To register or for more information e-mail Randy Mak at makfam4@telus.net

There is no cost to attend, coffee and snacks to start the day, and lunch will be provided each day.
