

PRAIRIE REGION TRANSCAER EVENT
SASKATOON FIRE DEPARTMENT REGIONAL TRAINING FACILITY
RANGE ROAD 3053 (NORTH OF SASKATOON)

- Session #1: Wed May 15th (1700 - 2100) (PM)
- Session #2: Thurs May 16th (0800 - 1200) (AM)
- Session #3: Thurs May 16th (1300-1600) Flaring demo
- Session #4: Thurs May 16th (1700 – 2100) (PM)
- Session #5: Fri May 17th (0800 – 1200) (AM)

As an attendee of these information sharing's, you'll be involved in a classroom presentation on railway safety presented by railway personnel. After which attendees will move outside to get some hands-on learning with the static displays. These displays will include a railway tank car, fire trailer, locomotive simulator, trailer with common tank car valves, highway tanker(s), and a display provided by one of Saskatchewan's CERCA verified emergency response contractors.

Special Interest Session

On Thursday May 16th from 1300-1600, we will conduct a Live Flaring Operation (Session #3) for attendees to view.

- Registration sign-in will occur at 0730 for morning session, 1230 for afternoon sessions, and 1630 for evening sessions.
- Waiver forms must be signed prior to participation.
- Please Park in the designated area and don proper PPE.

These are half-day events featuring classroom presentations followed by interactive static displays, at the Saskatoon Fire Department Regional Training Facility.

PPE required: hard hat, safety glasses, steel-toed boots, gloves, high-viz vest.
Turnout gear is not permitted in classroom.

Space is limited to a maximum of 40 people per session, so please register before May 10th, 2024.

To register or for more information e-mail Randy Mak at makfam4@telus.net

There is no cost to attend, coffee and water will be provided each session. BBQ burgers will be provided prior to the evening session.
