Afternoon Session: Aug 30-Sept 2, 2022 (16:00-20:00)

Choose one of the following modules:

- Tank Car / Locomotive Familiarization
- Dangerous Goods Mock
- Locomotive Rescue

Location: BNSF Winnipeg Yard
963 Lindsay St. Winnipeg, MB R3N 1X6

RAILWAY EMERGENCY RESPONSE

This is an interactive awareness training, utilizing the BNSF Hazmat Train with a mobile classroom, tank car and locomotive. Students will focus on rail safety, ICS, site assessment, intelligence gathering, specialized equipment and resources, mitigation techniques, locomotive hazards rescue and exercise review.

Each module will include a **HANDS-ON WORKSHOP** which will be conducted using the railway training tank car, locomotive and trailers.

**THIS IS LIVE RESPONSE
TRAINING. RESPONSE
GEAR REQUIRED.**

Space is limited. Register
early.

Further course details will
be emailed before the
event.
